

# FRIENDS of CARBONDALE DOG PARKS

January 2021

2021 No. 1

## Planning for spring

Site preparation for Carbondale's first public dog park continues. After our December 1 groundbreaking, E. T. Simonds workers discovered that the ground was too saturated to excavate. We are currently evaluating how to create a solid foundation for the walkway and shelter. Construction of the underlayment will continue when that evaluation is complete and weather conditions permit.

Meanwhile, it looks like the John A. Logan Construction Program will be able to begin construction of the walkway and shelter in March. As you know, their program has been on hold the past year due to COVID-19 restrictions. So, no promises, but fingers crossed that this year construction will occur.

## Fundraising Update

FCDP has received two anonymous memorial donations, \$5,000 each. And, Glenn and Jo Poshard have made another \$5,000 donation.

Thank you to everyone who made donations to FCDP at the Neighborhood Coop.

Thanks also to every Kroger shopper who signed up with the Kroger Community Rewards Program to support FCDP.
